

The Fish Friers Review 2013

The Fish Friers Review is the only publication dedicated to
the fish frying trade

Circulated eight times a year to over 8500 Fish and Chip shops
nationwide.....

Published by the National Federation of Fish Friers, we are the only specialist trade organisation for fish friers. The **NFFF** works to protect and promote the interests of fish and chip shop owners throughout the UK.

The Fish Friers Review is an ideal medium for marketing both your business and your product as it provides an optimum opportunity for your business to communicate with and generate business among fish friers.
